

## ***4-H BUILDING EXHIBITS 2023***

1. Items made by 4-H members should reflect the skills they have learned in their 4-H project, the needs and interests of the 4-Her, and quality workmanship. Use the 4-H project literature for ideas and criteria. The member must be enrolled in the project and completed their 4-H club requirements.
2. Exhibits are displayed at the risk of the individual 4-H member. The 4-H Staff, Extension Centers, nor the Cooper County Fair are not responsible for loss or damage to items.
3. 4-H members may exhibit only in project(s) in which they are enrolled in. Items exhibited must be made in the current year and must be a completed project, the work of the 4-H member submitting the exhibit.
4. 4-H Personnel must check exhibits in and out of the 4-H building at established times. (No exceptions will be made.) No early removal or checkout of exhibits is permitted. Exhibits which are not properly checked in or out of the 4-H building will not be awarded premium money and/or ribbons.
5. Unless otherwise noted, members are limited to three (3) exhibits per class. Clover kids limited to five (5) entries. Exploring class (first year members only) limited to five (5) entries. Exploring and Clover Kids members cannot display animals or hams/bacon in this project.
6. TROPHY/AWARD NOTE: Trophy winners are selected from the State Fair recipients in select project areas only. The judge's decisions are final.
7. All exhibits must have a Cooper County Fair tag securely fastened to the item in a place that is visible to fair-goers. This label must list the member's name, identification number, club, age, class number, and description of entry.
8. Conference judging is used to evaluate the 4-H exhibits at the Cooper County Fair. 4-H members are expected to visit with the judge about the project to be exhibited. Absentee Interview Judging forms are to accompany exhibits if member is unable to attend conference judging.
9. Where the exhibit list states, "any item made", the 4-H member may display any item made in that project. This includes: notebooks, file cards, photo displays, posters, or educational displays. Not all are eligible to proceed to the state fair. Regardless of the project, the following dimensions and guidelines must be used.

**REMEMBER:** ALL EXHIBITS, REGARDLESS OF PROJECT, MUST COMPLY WITH THE SIZE AND DIMENSION GUIDELINES. SEE EXTENSION AND FAIR WEBSITES FOR ANY ADDITIONAL INFORMATION FROM THE STATE FAIR AS IT BECOMES AVAILABLE AFTER PUBLICATION OF THE COOPER COUNTY FAIR BOOK

## Exhibit Guidelines:

- **POSTER**-No larger than 14" x 22"; flat only; do not fasten three-dimensional items to the poster.
- **PHOTO DISPLAY**-All photos should be mounted on an 8" x 10" solid mounting surface. The mounting surface should be mat board, in a color of the photographer's choice. The photographs must be 8" x 10" or smaller, with no more than four photos per mat board. Poster board or foam core board is not acceptable mounting materials. Photos can be mounted either horizontally or vertically with no writing or labels on the mat board. A permanent mount must be made using photographic adhesive. No photos using glass and/or wooden, brass, plastic frames, etc. To protect exhibits from dust and moisture, photos should be placed in an exhibit bag available through MU Extension Publications website at <http://extension.missouri.edu/explore/shop>. (8 ¼ x 10 ½ inch sleeves). Select 4-H - Project Literature – Photography. Digital considerations – techniques that can be performed in camera, in a photo editing software program, or in a film darkroom are permissible. The line is drawn between “enhancing” and “altering” a photo. 1. Altering (editing to change the contents of a photo) is not permitted. 2. Enhancing (editing to enhance the existing qualities of a photo) is permitted.
- **FOODS/NUTRITION**- Paper or disposable plates are recommended. Provide a recipe card and a sample with any food item.
- **NOTEBOOKS**- select 1 page that represents the notebook.
- **EDUCATIONAL DISPLAY** - Must not exceed 12" in height, 12" in depth (front to back) and 12" in width. Must include three-dimensional items and stand alone. (Posters with items taped to them do not qualify as an educational display.)
- **ENTOMOLOGY OR GEOLOGY DISPLAY BOX**-Box must be exactly 18" long, 24" wide, and 3 ½" deep to fit in display racks. Plexiglas or plastic covers are preferred. **NO** handles or knobs.
- **DISPLAY BOARDS**- (rigid backings with items fastened to them)-No larger than 14" x 22".
- **WORKING MODELS**-These exhibits should show how things actually work (cutaway-sections of motors or computers) or can be used to help people identify parts such as parts of a motor or computer. Many times these exhibits are considered “hands-on” and can be handled by visitors. Working models should require floor space no larger than 24" x 24".
- **DECORATED CAKES**-The use of forms or pans is recommended. No real cakes, please. Cakes should not exceed 12" in height and 12" at the base. Cake boards should not exceed 1" margin on each side of cake pan or form. Use royal icing or rolled fondant or commercial product like DAPP.
- **SHOOTING SPORTS**-Exhibits should contain **NO** live ammunition and arrow points should be removed.
- **SCRAPBOOKING**-exhibits should be **only** 1 page/1 side representative of the complete scrapbook, not to exceed 12" x 12". Page should be in clear protective sleeve or clear zipper bag. Do not frame. No more than one page per entry.
- **EXHIBITS USING OF BATTERIES**- such as circuit boards or robots should not connect the wires to the battery; rather the wires should be taped behind the battery. Another option is to not attach a battery, but indicate “battery goes here”.
